

# **NEW!** Small Town Mac Users Group

Are you a Mac user? Are you interested in meeting other Mac users to share your enthusiasm? Then join the *new Small Town Mac Users Group (Small Town MUG)*! Most Mac users are passionate about the potential

of technology, and they strongly believe in the best technology available - Macs. Share these passions with like-minded people. Mac Users Groups are perfect forums for sharing resources with other Mac users.

## **Meet Mac Users**

As a Mac User, you've realized some of the awesome potential of technology and how it fits into your life. Meet other people who share your interests (technology and otherwise).

## **Save the day**

A lot of people are looking for help. You might be one of them, or you may have some expertise to share. Either way, joining a Mac Users Group can be rewarding, whether you are asking or answering the questions.

## **Be the First**

This is a brand new Mac Users Group, the first in **Lewis County**! Help us get started with a bang! Be one of the Charter Members of the **Small Town Mac Users Group** and start something new and different that will benefit you and all the group members.

## **Save money and get cool stuff**

Many vendors realize the influencing power of user groups, and offer special offers and discounts. Members can also receive special opportunities to be the first to try and demo new products.

## **Create a Network**

You can make important networking contacts in both the local area and in the national user group community. Members have found clients, jobs, and more because of their involvement with their group.

## **It is just plain fun!**

There's just something about Mac User Groups and those who join them. They love the people they meet and the opportunities that user groups create. Becoming a Mac User Group member, well...it's just plain fun.

## **How When Where**

The **Small Town Mac Users Group** meets at 6 p.m. on the first Tuesday of every month at the Chehalis Library.
